

*Deb,*

*A piece of my soul. God sent me an angel.*

*I fought her help and loved her and love her still.*

*You took my "Six" saving my life, my mind from*

*Demons destructive. You touch my heart every*

*minute*

*Of every day. I am truly blessed.*

*Katie,*

*A part of my life that has touched yours.*

*You are a gift from heaven to me. You never leave  
my thoughts.*

*I am so blessed to have a daughter like you  
And to be your dad.*

*Heather,*

*A part of my life that impacted you greatly. Not  
to excuse failures*

*But hopefully, these words, a window to  
understanding. As awkward as I can be, you have  
my love, always and my pride.*

*Dad*
